

Kick in the Assets

A fantastic learning manual that encourages you to grab the reins of your own destiny and head toward financial freedom.--Anthony Robbins, bestselling author of *Awaken the Giant Within*

The first comprehensive financial guide for the twentysomething and thirtysomething crowd, *A Kick in the Assets* is the brainchild of self-made millionaire and motivator Tod Barnhart. His book is a soup-to-nuts collection of insiders tips, organized in an easy-to-use ten-step format. Its specially designed for the people who are new at the money game, but are bored or intimidated by the dry financial planners available on the market. Whether the goal is establishing a credit-worthy present and a bankable future or achieving maximum security and minimum debt, Barnhart offers take-charge strategies that will help anyone get a financial clue. *A Kick in the Assets* will show readers how to:

- * Define success for themselves and discover what they really want
- * Get out of debt...and stay out
- * Buy and finance a home
- * Apply take-charge budgeting that really works
- * Look at the long-term picture without losing sight of today's financial realities
- * Invest wisely for the present and the future

This book is a keeper if you need a kick in the pants to start doing the right thing with your money.--The Washington Post

This books got guts!...real-world strategies for real-world prosperity. --Mark Victor Hansen, co-author of *Chicken Soup for the Soul*
