When Elisabet Pedrosa's daughter Gina was diagnosed with Rett Syndrome, their world collapsed. A severely incapacitating disease, Rett's would eventually destroy Gina's ability to walk, talk, eat and be autonomous. To face this terrible disease, Pedrosa decided to create a dietary journal that culminated in the book you are now holding: a journey through pain that would finally turn into an enthusiastic will to live. This is a story that will resonate with all those who have lived through similar experiences, and a story that will move the rest of the world. Spanish Description: Cuando diagnosticaron a su hija Gina el Síndrome de Rett, una enfermedad neurológica gravemente incapacitante, su mundo se hundió. Gina no andaría, no hablaría, no comería sola, no tendría ningún tipo de autonomía. Elisabet Pedrosa decidió entonces iniciar un diario que ha desembocado en el libro que teneis en las manos: un viaje a través del dolor que se transformara finalmente en una gran oportunidad por reformularse y convertir la discapacidad de la hija en un gran sí a la vida. Escrito con un estilo directo y desde el corazón, Criaturas de otro planeta es un relato en que se sentirán identificados todos aquellos que han vivido experiencias similares y que conmoverá todo el mundo.
