

One Night In Close Exposure (Volume 2)

Beth, in another life, was a top student and had nothing but visions of a successful career in her head. That was until one night with Sterling Johnson, the sexy and deceitful swim champion next door, who changed her entire future. Now, because of that night from her past, Beth's path as a photographer is forever changed. Gone is the young woman she used to be as she struggles to keep a secret hidden. Sterling Johnson, on the other hand, has quickly become America's favorite Olympic athlete. Constantly followed and stalked by the press and the father he has turned his back on, Sterling craves someone who isn't interested in his celebrity. When a publicity stunt takes him back to a wild college campus and Beth, who turns out to be the media photographer assigned to his story, the flame he thought was dead rekindles. Will Beth prove to be the only girl not interested in his celebrity status? Or are her own twisted secrets and lies about to bring both their worlds down?
