

C.M.C. the Unseen: If You Truly Want to See as If You Were Blind Take One Look at the Unseen

In a world full of madness I had no choice so I adapted. I simply fell into the darkness but now in here Im accepted. I was once confined to a black state of mind and tied to the demons which now I embrace. My mind is so dark it cant be corrupted. A heart so cold it cant be broken. I am one with the abyss where I was once lost. I couldnt find home so I made one. I was nearly destroyed yet I grew stronger instead. If you dont quite fit in with the general society maybe you should give this book a chance. If youve never been given much of a chance or if you often feel alone or scared maybe give it a shot. If you simply want to see the world in a new light, or lack there of then its on these pages you should look. This is the unseen side of me and my unique perspective on the world you thought you knew.
