What Others Have Said About Team Ministry: I believe one of the key ingredients to building an effective, growing church is

spiritual gifts. The key phrase is using people where they are usable. If all Christians were involved according to their spiritual gifts, they would be used in ministering where they are most usable. I find that growing churches cannot be disassociated from growing Christians. Therefore, when a person has found his gifts, knows the significance of his gifts, and properly exercises his gifts, he will grow. As he grows (internal growth), then his church will grow (external growth). Team Ministry by Larry Gilbert is some of the best material ever written on spiritual gifts. It will help to build a strong foundation in a local church. It will inspire leadership, motivate laypeople, and turn a church around. Dr. Elmer Towns Weve used the Team Ministry approach through our Sunday school to inventory the spiritual gifts of several thousand of our adults and youth. It provides a practical tool for mobilizing Gods people. Dr. Richard Lee
