

The Science of Sex and How to Make Women Do Anything in Bed: Step-by-Step Sex Guide for Men

Do you want to make women do anything in bed? This book is the result of 12 years of research on the male-female sexual interaction. Tom Anderson describes how men and women follow a specific pattern when having sex. When the man understands and follows this pattern, the woman will always follow his lead and eventually do anything in the bedroom. This sex guide focuses on: How to turn women on - every time How to make women say yes to sex whenever you want to How to know what to do in bed What to do when women say no How to turn no to yes every time How far you can go with women How to make women do anything in bed The book also offer solutions to 42 common mistakes men do in the bedroom. Tom Anderson has with his newest sex guide cut away everything nonessential. He focuses only on what to do every time the woman hesitates or resists the mans lead. The result is a simple step-by-step sex guide to make women do absolutely anything in bed. PS: His techniques are meant for the bedroom, but they are as effective during pick-up and foreplay. In other words, the techniques you learn in this book will remove any resistance women have towards your sexual advances. The first 35% of this book is free.
