

Icy Passage

Tumble into the icy danger of Antarctica with a blazing hot romance. Mittens and fan required. Fresh out of residency, Dr. Kayna Quan opts for a tour in Antarctica. Money is short, so she hires on as medical officer aboard a Russian research vessel headed for McMurdo Station. Primed for almost anything, she plays her paranormal ability close to the vest. Stationed on remote South Georgia Island for two years, Brynn McMichaels is eager for a change. When cultures of the single-celled organism, archaea, overgrow their bins in his lab and begin shifting into another form, he worries he's losing his mind and talks with scientists at McMurdo, but they have problems of their own--bad ones. Brynn agrees to help. The weather's too uncertain to send a plane, so he hitches a ride aboard Kayna's ship and brings his mutant culture colonies along. Attraction sparks, urgent, hot and powerful, between Brynn and Kayna, but her disclosure about her magic is a tough nut to crack. It doesn't help that her dead father is stalking her. Lethal cultures, bizarre illness, and McMurdo's refusal to let them land force Brynn and Kayna into an uneasy alliance. Will their fragile bond be enough to thwart the powers trying to destroy Earth, and them along with it?

June 12, 2016 By admin Leave a Comment Your letter box is untouchable. You don't own it. The minute you put your letter drop before your home, it is represented by the standards of the mail station. What's more, in the event that you utilize it for anything besides postal business (and pay the expenses), you're searching for a fight. The following is an immediate quote from the USPS' Postal Bulletin (Issue 21861, [\[Read more...\]](#) Direct Marketing ? Prospecting ? The Third Mailing is the Kicker March 13, 2016 By admin Leave a Comment Direct Marketing ? Prospecting ? The Third Mailing is the Kicker Prospect mail programs need to assemble a notoriety for themselves to be viable. I generally suggest a progression of three mailings while prospecting through standard mail. The following are my reasons. How about we first accept, be that as it may, that you've planned a successful letter and/or leaflet. Mailing #1. A few prospects will hurl your mail naturally. Most, be that [\[Read more...\]](#) Direct Marketing ? Do Not Laser Your Envelopes March 12, 2016 By admin Leave a Comment Direct Marketing ? Do Not Laser Your Envelopes Envelopes that you go through your laser printer look delightful when they first turn out. They appear as though they've gone through a battle region, however, when the letter achieves its last destination. Here's the reason: lasers use toner which is dropped onto the paper in little raised heaps and afterward gone through a fuser which warms the "heap"
