

The Papacy and Anglican Orders (Classic Reprint)

Excerpt from The Papacy and Anglican Orders From time to time the minds of Anglicans have been disturbed by the insistent claim of the Roman Catholic Church that our orders are invalid and that we are a schismatic body, separated from the Holy Catholic Church. Many publications have been put forth to refute such a claim. The writer of this pamphlet has been forced to face the question and, having as a result of careful and earnest consideration satisfied himself regarding the matter, wishes to share the grounds of his confidence with others who stand in need of reassurance. To such I commend a careful perusal of what Mr. Lewis has written. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
