By the thousands, by the hundreds of thousands they come -- wait a second, WE come. Its not as if were standing back observing some foreign ritual. It is our ritual, and every fall Saturday we practice it. College football -- that combination feast - party - competition - celebration - tent revival -- has, at its very core, The Stadium. Thats where the converted go to stoke the passions that stir the soul -- or, at the very least, threaten the eardrum. Sure, college football is about touchdowns and goal-line stands and big-game victories, but its also about traditions and pregame camaraderie and postgame revelry. And memories. Dont forget the memories.
