Will Maggie Listen to the Warnings of Those She Trusts Most or the Leadings of Her Heart? The answer to Maggie Montgomerys dream of seeing America has arrived at just the right time. Not only will she be reunited with her beloved brother Rylan, but she will finally be able to escape Neill Fitzgerald and his increasingly unwanted attentions. She is intent on never returning to Ireland, hoping to build her future in the land of opportunity and perhaps find the love of her life. While visiting Irish Meadows, she meets an intriguing man she thinks is a stable hand. Only when her brother demands she stay away from Adam OLeary does she learn he is Rylans brother-in-law, recently released from prison. Nonetheless, Maggie cant seem to make her stubborn heart conform to her brothers request. Adam OLeary has never felt worthy of his place in the family. Now a free man, Adams only desire is to earn back his familys trust. Falling in love with the newly arrived Maggie, however, was never in his plans. Despite everyones efforts to keep them apart, the two develop a bond it seems nothing can break--but they soon discover the past isnt easy to overcome. Mason continues her compassionate saga of the family members who live in Irish Meadows....The prodigal son returns to Irish Meadows, the truth is revealed and the audience will be astonished at the new revelations.--RT Book Reviews Praise for the Courage to Dream series The spirited OLeary clan is well drawn and appealing, ready to band together during times of trouble. Masons enjoyable read lays the groundwork for the next installment, which promises to be just as strong as the first. Library Journal (starred review)
