

# Clash of Hope: Biblical Direction for Resolving Conflict

Conflict is inevitable in authentic relationships. It need not be destructive, but too often is. Conflict can exist in our lives without defining who we are... although our responses to it and our attitudes toward it certainly reflect who we are. Sometimes conflict exists very mildly, over very simple, quickly resolvable issues. Other times it can go on for a lifetime. The Bible gives us guidance on how to deal with and resolve conflict. Host a Christ-centered 10-session support group based on Kelly Hawkins grace-full book *Clash of Hope* and minister Christ's love to those in your congregation who are seeking constructive ways to deal with conflict.
