

# The Nun, The Pope, and The Wind: A Memoir (Paperback Edition)

On her fifth birthday, Joyce made her first vow. Raised in a devout Catholic home, she decided to put the needs of others before her own. At age thirteen, her mother died. She sought a life with the nurturing nuns who taught her. Joyce describes the process of almost ten years of sister formation, leading to professing the vows of poverty, chastity, and obedience for life. Why, then did she leave the convent? She had come from a generation screaming for release from meaningless social rituals, and when convent rules began changing because of Pope John XXIII's Ecumenical Council, Joyce changed too. This unusual story explores a world very few people know.
