

Hidden Mountain: The Dominguez Adventures (Volume 2)

The dynamic pairing of the humorous, studious Anthropologist, Antonio Dominguez and his lovely, flame-haired partner, the mysterious and spiritual Amanda Messenger, must combine their multitude of talents to outsmart the malignant conspiracy working against them. The couple encounter corruption and danger in Miami, then through the Midwest where they face a bitter loss, and back to New Mexico where they encounter the enemy in a head-on battle. Their steamy relationship grows as they continue a journey interlaced with secrets, mystery and suspense, a journey that was foretold by King Solomon himself, and one that holds the key to stopping the cosmic annihilation of the human race.
