

## Three Weavers (Illustrated) Lamplighter

This is a special allegory for fathers to read to their daughters. As the story goes, once upon a time there were three weavers, and to each was born a daughter. The watcher of weavers prophesied, A royal prince shall seek to wed thy child, but she must weave a mantle for the prince that will be fair to look upon with rich cloth of gold, and it must fit him as perfectly as the falcons feathers fit the falcon. Each father is responsible to teach his daughter how to prepare for her prince. When should he begin? The fathers approach, coupled with his daughters cooperation, will decide the fate of her future.
