NEVER UNDERESTIMATE THE POWER OF THE GODS Let it be known on this day in this time, the position of the heavens, for they will not arrive back in this place for the nineteen years of the Metonic cycle. At this time this babe, Kariss, must seek out Lord Alpains blessing in order to defeat a new Roman challenge to the throne of Brigantia. This news is given to me by the mighty goddess, Cailleach herself. If only things were that easy. As the danger to young Kariss grew, Cailleach was forced to move her through time to modern London. Now Kariss must travel secretly between worlds to fulfil her destiny. Martaani, the Roman challenger is out for blood and she doesnt care who she sacrifices to get to Kariss.
