

# Unforgettable Journey: Tips to Survive Your Parents Alzheimers Disease, Second Edition

There are many books written about Alzheimers disease. The concise nature and easy readability of this book will make it an effective tool for family members with a parent who has dementia. The upbeat nature and Tips section at the end of each chapter helps the book read in much the same way that a supportive conversation with a friend would be to the reader. I heartily recommend this book to the adult children of my patients with Alzheimers disease-Kevin R. Smith, MD, assistant professor of psychiatry, director of Geriatric Psychiatry Clinic, Oregon Health & Sciences University, Portland For adult children of parents struggling with Alzheimers disease, finding useful tips and suggestions for dealing with everyday challenges can be difficult. Unforgettable Journey: Tips to Survive Your Parents Alzheimers Disease provides an easy-to-read, concise compellation of author Anne P. Hills experiences coping with her mothers illness. Hill details the specific methods she used to understand and manage the daily trials of caring for her mother. Broken down into small chapters, Hill focuses on each step of the Alzheimers journey and offers a compassionate, intimate, and insightful glimpse into the life of those who suffer from Alzheimers-both patient and caretaker. - Illustrations by Jane Zwinger An audio book of Unforgettable Journey: Tips to Survive Your Parents Alzheimers Disease is available from the author at <http://www.luminsong.com/unforgettable>
