Sleeping with your roommate is a bad idea, right? Megan Davidson is scrambling to find a new place after Abby, her roommate and best friend decides to move in with her boyfriend Lance. With just a week until classes start, the open spot left in Lances old house looks like her best option. She moves in with Matt and Chris, shameless flirts and notorious players. Chris Schwartz first met Megan at their Fourth of July party over the summer, and hes wanted her ever since. Shes now tantalizingly close, and he doesnt want to keep his hands to himself, even if its the worst idea ever. Chris doesnt do relationships, but once with Megan just isnt enough. With ground rules in place, it seems like everythings working out fine. But will Chriss history catch up to him and ruin everything?
