

Federal Information Security Management ACT Fiscal Year 2004 Status of EPAs Computer Security Program Oig Evaluation Report (Paperback) - Common

The U.S. Environmental Protection Agency (EPA) was introduced on December 2, 1970 by President Richard Nixon. The agency is charged with protecting human health and the environment, by writing and enforcing regulations based on laws passed by Congress. The EPAs struggle to protect health and the environment is seen through each of its official publications. These publications outline new policies...
