Who would ever buy sex toys from the woman who cleans their teeth? Apparently, a lot of people! Open Wide -- Divorce, Dating, Dentistry & Dildos tells the embellished story of real-life Heidis adventures in raising her kids after her divorce. As Heidi was scraping by (literally) on her dental hygienists job salary, she found herself trying to make ends meet while fending off her patients who seemed more interested in setting her up on dates than in her hygiene skills. In attempts to get out of her financial rut, Heidi accepted an offer to get in on the ground floor of a new business, selling sex toys in peoples homes. This decision proved not only successful but also turned out to be an entertaining adventure, full of hilarious stories detailed in Open Wide. Let Heidi take you along for the ride as she learns everything there is to know about human sexuality -- what makes men and women tick, and even more important, what makes them orgasm. Open Wide is for every woman who yearns for support while facing lifes challenges, and for every man who faces the seemingly impossible task of understanding middle-aged women. Humorous, warm, and educational, this story comes from someone who will soon be everyones favorite (and possibly the worlds only) dental hygienist and sex expert. One thing is for sure. You will never look at the woman cleaning your teeth quite the same way again!
