

Combat Pistol

COMBAT PISTOL by the United States Army Marksmanship Unit provides guidance on the operation and marksmanship of the M9 (Beretta 92fs) 9-mm pistol and the M11 (Sig Sauer P228) 9-mm pistol. It reflects current Army standards in weapons qualification. This guide is designed for the instructor to develop training programs, plans, and lessons that meet the objectives of the United States Army Marksmanship Program for developing combat effective marksmen. Information from this program has strong correlation to civilian self-defense and applied principles to the application of any semi-automatic side arm in a civilian self-defense situation. This is the OFFICIAL U.S. Army Field Manual and instructors guide for the M9 and M11A1 combat pistols.
