

Hurt: The Harrowing Stories of Parents Whose Children Were Sexually Abused

Hurt tells the deeply moving stories of parents after they discover their child has been sexually abused. Julia Webb-Harvey beautifully narrates and facilitates parents exploration of the truly horrible experiences - the devastation, struggles and crushing isolation - and how they set about remaking their own lives and those of their families. Hurt tells it like it is, tackling the social taboo of childhood sexual abuse. Hurt is a must for survivors and clinicians alike - showing the reality of childhood sexual abuse whilst also giving the parent/carer suffering the aftermath of sexual abuse hope and support.
