

The Better Money Method: A Better Idea for Retirement

The concepts illustrated in The Better Money Method have been truly life changing for me and my family. I am so happy to be off the 401 (k) roller coaster, and cant say enough good things about what turning our backs on traditional financial planning has done for our long-term financial security. This is a must read for anyone willing to step outside the normal investing confines designed to feed the government and make Wall Street rich! You owe it to yourself and your family to read The Better Money Method with an open mind, absorb the invaluable knowledge that Terry Laxton lays out in straightforward and readable terms, and take action to put the Method to work for you. Youll be glad you did!-Chris Klimecky
