

Tietzes Syndrome: Causes, Tests, and Treatments

Are you tired of suffering from Tietzes syndrome? This easy-to-use guide offers advice on controlling your symptoms and making the kinds of lifestyle changes to allow you to live a full and active life again. Inside this book, you'll find information on current treatments from dietary changes and biofeedback to local anesthetic blocks and surgery. What people are saying about the 1st edition: A neatly summarized book with easy, sound recommendations for anyone who is suffering or knows someone with similar symptoms, gives you a good insight on what is going on inside and at the same time helps your health provider to give you a better diagnosis and treatment. Martha Marquez, M.D. This book is great! This will definitely help us understand and manage Tietzes Syndrome, not only for those who are experiencing the same illness, but also the medical professionals as well. I would definitely recommend that people buy this book for reference. Janice Geronimo, R.N.
