25 Facts of God is on the attributes of God and how they apply to our lives. What is the most important thing about you? Regardless of what many think, your beliefs about God are what matter most. They affect everything about you. They impact how you view the world, your trials and even how you view yourself. The character of God is not instinctual to us. It takes a transformed mind to see God as He really is. There are no shortcuts. A transformed heart comes only from a transformed mind; one that thinks differently and more accurately about God. Immersing ourselves in the character and attributes of God does just that it transforms our thinking and our hearts. 25 Facts of God reveals to us the God of the scriptures, not the God of our experiences, desires or imagination.
