

Safety Conscious: When Will It Happen?

This book is about general safety for children. In Boy Scouts there is a motto, Be Prepared, which leads to a trick question: Be Prepared For What? The answer is anything. Although this book is fictional, the safety rules are non-fictional or valid. However, the content of this book is not a substitute for the official Scout Handbook for advancement. Frank and all names used in this book are fictional. The author wishes to dedicate this book to Troop 54 of Holly Hill FL and Unity Christian Church of Holly Hill FL as both organizations motivated him to overcome his fear of publishing and inspired him to get this book published.
