June 12, 2016 By admin Leave a Comment Your letter box is untouchable. You don't own it. The minute you put your letter drop before your home, it is represented by the standards of the mail station. What's more, in the event that you utilize it for anything besides postal business (and pay the expenses), you're searching for a fight. The following is an immediate quote from the USPS' Postal Bulletin (Issue 21861, â€¦ [Read more...]) Direct Marketing ? Prospecting ? The Third Mailing is the Kicker March 13, 2016 By admin Leave a Comment Direct Marketing ? Prospecting ? The Third Mailing is the Kicker Prospect mail programs need to assemble a notoriety for themselves to be viable. I generally suggest a progression of three mailings while prospecting through standard mail. The following are my reasons. How about we first accept, be that as it may, that you've planned a successful letter and/or leaflet. Mailing #1. A few prospects will hurl your mail naturally. Do Not Laser Your Envelopes Envelopes that you gone through your laser printer look delightful when they first turn out. They appear as though they've gone through a battle region, however, when the letter achieves its last destination. Here's the reason: lasers use toner which is dropped onto the paper in little raised heaps and afterward gone through a fuser which warms the "heap" at around 400 degrees â€¦ [Read more...]) Direct Marketing ? New Move-In Lists Work Well For Doctors and Professionals March 12, 2016 By admin Leave a Comment Direct Marketing ? New Move-In Lists Work Well For Doctors and Professionals I just kept running into one of my cousins at our nearby bagel shop (breakfast is the best time and place to meet individuals and complete some early morning work). He's a podiatrist (foot specialist) and lets me know the best, best technique he's utilized so far to achieve new potential patients is through regular postal mail.
