

The Torn Trilogy Volume I: Torn From the Inside Out

The Torn Trilogy covers over half a century, beginning with *Torn From the Inside Out*, Sara Niles' story of being forced to disappear with her five children in order to escape a sure death as a domestic violence homicide at the hands of a maniacal psychopath. *Torn From the Inside Out* is a memoir written in a compelling literary narrative style that is unprecedented in the realm of literary narrative nonfiction. Using powerful literary symbolisms and metaphors, well developed characterizations and powerful emotional impact, The Torn series takes the reader on the journey of a lifetime.

Each book in The Torn Trilogy can be read more than once, as the levels of insight woven into the social realities are layered. The writing is an easy flow of classic style laced with metaphors, anchored with time-centered historical happenings, brought home to the reader by a powerful appeal to the heart and soul.

Sara Niles invites the reader to go on the literary and emotional journey that eventually covers five decades and two generations as it culminates with the completion of the third part of the trilogy, *Out of the Maelstrom*. With volume I of The Torn Trilogy, *Torn From the Inside Out*, Sara Niles invites the reader to Let the Journey Begin, to take the incredible journey of life into the depths of despair and the heights of ecstasy, cross the valleys of human pain and climb mountains of triumph as we celebrate a power greater than death itself, the power of the human spirit under fire.
