

F* the Banks! The Zero-Bullshit Guide to Getting out of Debt

If you had the damned money, you'd have paid it all off by now. I know this. So instead of telling you ways to scrounge up enough money to pay off your debts, I hope to convince you not to pay anything you cannot afford. I want you to keep as much of your stuff as possible while paying as little as possible of your own hard-earned cash. Most books that claim to be about getting out of debt are really just about good old-fashioned financial prudence. This one is not. It's too late for that now. The Great Recession lingers, and even as our global financial institutions sit atop massive piles of taxpayer-funded bailout dollars, the ordinary people of America continue to struggle. Time for your bailout. Here is very simple, very practical, and most importantly a very realistic guide to the American legal process of enforcing debts. I am a debtors lawyer. This is what I do. Everything in this book comes from personal experience. I have helped hundreds of clients solve every sort of financial problem that people can encounter, and I have packed all of these lessons into this book. If you ever wanted to know things like: What happens if you don't pay a debt? How do you fix broken credit? How can you keep your home from being foreclosed? What can I do about my student loans? Can they take my dog? Is bankruptcy a good idea or a horrible idea? What if I let the bank foreclose on my home? Will I ever be able to buy a car again?

You don't own it. The minute you put your letter drop before your home, it is represented by the standards of the mail station. What's more, in the event that you utilize it for anything besides postal business (and pay the expenses), you're searching for a fight. The following is an immediate quote from the USPS' Postal Bulletin (Issue 21861, [â€¦](#) [Read more...]) Direct Marketing ? Prospecting ? The Third Mailing is the Kicker March 13, 2016 By admin Leave a Comment Direct Marketing ? Prospecting ? The Third Mailing is the Kicker Prospect mail programs need to assemble a notoriety for themselves to be viable. I generally suggest a progression of three mailings while prospecting through standard mail. The following are my reasons. How about we first accept, be that as it may, that you've planned a successful letter and/or leaflet. Mailing

#1. A few prospects will hurl your mail naturally. Most, be that € [Read more...] Direct Marketing ? Do Not Laser Your Envelopes March 12, 2016 By admin Leave a Comment Direct Marketing ? Do Not Laser Your Envelopes Envelopes that you gone through your laser printer look delightful when they first turn out. They appear as though they've gone through a battle region, however, when the letter achieves its last destination. Here's the reason: lasers use toner which is dropped onto the paper in little raised heaps and afterward gone through a fuser which warms the "heap" at around 400 degrees € [Read more...] Direct Marketing ? New Move-In Lists Work Well For Doctors and Professionals March 12, 2016 By admin Leave a Comment Direct Marketing ? New Move-In Lists Work Well For Doctors and Professionals I just kept running into one of my cousins at our nearby bagel shop (breakfast is the best time and place to meet individuals and complete some early morning work). He's a podiatrist (foot specialist) and lets me know the best, best technique he's utilized so far to achieve new potential patients is through regular postal mail. He pursues a particular business sector portion € [Read more...] Direct Marketing Restaurants ? If I Were Running a Restaurant March 12, 2016 By admin 1 Comment Direct Marketing Restaurants ?
