

# The Ultimate Operations Manual

All world class operations and professional jobs utilize operations manuals to guide them in their day to day decision making. Its what makes them world class-because they can repeatedly perform the way they committed that they would perform. The written guidelines also serve as help manuals when anyone gets in a jam. They bail them out and send them in the right direction. Wouldnt it be nice to have an operations manual to help guide you through lifes challenges? A Manual that could help when youre in a pinch, when you need some grounded guidance in a tough situation? How about one that you could provide your child, employee, spouse, or friend to help make sure they were utilizing the best guidelines ever written? Wouldnt it be great to be able to quickly reference some principles, rules and guidelines that were documented by the wisest person to ever live? Now you can!
