

# The New Generation of Leadership: Transforming Ordinary Young People Into Outstanding and Growing Leaders

While there are millions of graduates leaving colleges and universities every year, major statistics show that more than 53 percent of these graduates are either unemployed or underemployed. In addition, many young people today fail to live up to their potential or even attempt to achieve their dreams due to lack of confidence in their abilities that often results from not being given permission to be and develop who they truly are. In **THE NEW GENERATION OF LEADERSHIP**, the authors give outright that permission, and share practical steps, inspiring stories and anecdotes, helpful principles, and uncommon truths in the nurturing of those innate qualities that will help young people increase their value, excel and stand out from the crowd.
