

The Ultimate Guide to Male Sexual Health: How to Stay Vital at Any Age

A meticulous examination of the essentials of male sexual health, arousal, and anatomy, this book provides nonjudgmental, practical, safe advice for banishing stress from the bedroom and making sex fun again. Written for men of all ages and their partners of either gender, this book explains the psychological and physical causes of PW (penis weakness) and provides a comprehensive look at the medical and nonmedical options for treating it. Whether the reader is looking to improve his genital health, last longer, or overcome PW-related issues like erectile dysfunction and impotence, this straightforward guide will help determine the fundamental causes of male problems using methods that fit all lifestyles and health profiles. A revolutionary guide to super potency, this book will give men the confidence and ability to perform sexually in any situation at any age.
