

## Song for Sophia (Rougemont)

Desperation has led Anne-Sophia Duncombe to a life of exile. Still, she is always just one mistake away from capture and a marriage she would rather die than endure. As a last resort to remain hidden from her former life, Sophia attempts a radical scheme: a life of humility and disguise. Rumor has it that Wilhelm Montegue, the Earl of Devon, is insane. A tormented war hero haunted by scandal, he is only tolerated because of his brilliant mind and swarthy good looks. His unmentionable condition, which keeps him confined to his country home, is also the source of his talent for composing music. When a new housemaid is hired at Rougemont, Lord Devon is perplexed to find himself fascinated by her. He knows the exquisite beauty is keeping secrets but her sirens voice draws him ever closer, and he cant resist the intoxicating scent of danger surrounding her.
