

Be Your Own Angel...: Snippets for Tough Cookies (Breast Cancer Soldiers)

This is the time when it's really okay to put your sweet self first. These words are the essence of Nancy Swan Drew's inspiring little volume about her experiences coping with breast cancer. With colorful line drawings and spunky sayings, she demonstrates how to rise above the fear and heartache that accompany this disease. Her wise and remarkably upbeat outlook, quirky art, and robust sense of humor offer a truly unique prescription for living with cancer diagnosis and treatment. Suggestions for lifting morale include crafts, mini vacations, redecorating, putting yourself first, prayer, and relaxation. Everyone battling cancer deserves a guardian angel and this book inspires you to become your own.
