

Bucket List Investing: A Short and Simple Path to Financial Freedom

Life is busy. Important life lessons should be distilled down to simple and brief messages. They should be accessible to all. Bucket List Investing presents a short and simple path to financial freedom. It is short enough that it will be read and simple enough that its message can be understood. You will learn how \$200 per month can build to \$1.35 million for your retirement. Give it to everyone you know who needs a plan. Give it to your kids before they embark on adulthood. Give it to friends and family who need a helping hand. Encourage it to be read in high school. Do not let the perceived complexities of modern finance blind you to the actual simplicity of saving and investing. Start today. Let the magic of time work for you.
