

A Chance on Love (Hidden Springs Book 4)

Dr. Ben Kincaid is content to spend his days and nights treating the people of Hidden Springs. Not even his closest friends know the heartbreak that haunts him. Ten years earlier his wife left him, taking their only child with her. Ben vowed to never again trust anyone with his heart. Shiloh Bishop came to Hidden Springs looking for a fresh start. Having been forced into an arranged marriage with an older man, she lived a life of misery. When she finds herself suddenly widowed and expecting her first child, she looks forward to starting a new life. Ben is captivated by Shiloh the first moment he sees her but he is unwilling to let go of the chains of mistrust that are wrapped around his heart. Shiloh is determined to rebuild her life and has no intention of ever becoming another man's wife. When a deadly illness strikes the town, they have no choice but to rely on each other. Admiration and respect soon turn to passion, but will it be enough for them to take a chance on love? ****Mature audiences - sexual content****
