

A Brilliant Novel in the Works

When my wife comes into the room and sees me in my underwear, with my \$30 Lamy pen in my fist, and standing on my feet, she's terribly impressed with me and my work habits. My home office is the smallest room in the house, but it still feels like a lot to take in from ten feet above. I thought my angst would weaken at this altitude. "Jesus, Yuvi," Julia finally says, "you're getting awfully desperate." My wife shakes her head in that way that she can shake it and then reaches up to smack me on the ass in that way she can smack me. "Not only that," she says, "but your underwear is torn in the back. Why won't you throw them away? They've been with you three times as long as I have." "Hush!" I say. "I'm trying to work." My wife heads back to the kitchen. She has never been supportive of my creative process. She is also what my mom would call a real gentile. When I look down at the room these are the first three things that I notice: There is a book called Best Short Stories of 1991, which my father bought

When Yuvi's wife finds him in his underwear, standing on top of his desk, she isn't terribly impressed with him and his writing habits. But Yuvi worries. He has a wife who wants things he can't give, an editor who wants a book he can't deliver, a brother-in-law with a gut disease that he can't fix, and dead parents who stubbornly remain dead. As the structure of Yuvi's novel falls apart, so does his life. His novel and his life blend together as he struggles to pull out of the mess. He revisits the fragments of his unreconciled past and his pantsless present, traveling from his suburban Jewish home in Atlanta to the North Carolina mountains of his father's childhood, to several hospital waiting rooms, to the living room of a grieving Palestinian man. Heartbreaking and hilarious, *A Brilliant Novel in the Works* is the utterly original debut novel from Yuvi Zalkow.
