

# Overcoming Diabetes: The Complete Complementary Health Program (Natural Health Guru)

Internationally best-selling author Dr. Sarah Brewer presents one of the first books in an important new series: a highly authoritative, yet easy-to-follow program of complementary medicine and self-care treatments endorsed by the Diabetes Research and Wellness Foundation. Its designed to support conventional treatment for this fast-growing and debilitating disease, and teach sufferers how to alleviate symptoms and enhance their well-being. Dr. Brewer builds her pioneering approach on the premise that we all have unique requirements based on our age, gender, lifestyle, and genetic background. She offers tailor-made solutions ranging from gentle to full-strength, all featuring nutritional plans, workouts, and other lifestyle changes that will help you manage your diabetes better, significantly reduce your risk of long-term health complications, and feel better and more in control.
