

In the End... Jesus: A Laymans Guide that Demystifies the Apocalypse and End-Time Prophecy

The end is near! Signs, books, and movies predict it. What do the scriptures say about end-times? How can we decipher the clues written about wild beasts, vague symbols, false teachers, and mysterious timelines? In the beginning, God created the universe. 2000 years ago He handed the deed of the earth to His Son. In the End, Jesus will return to reign over the world as King of Kings and Lord of Lords. What happens in between? This book digs into the Old and New Testament and demystifies the apocalyptic writing in the book of Revelation. Hundreds of sources and thousands of scriptures are quoted to explain the end-time prophecies and when they occur. Tables and photos simplify the information to stimulate thinking and reasoning. Perhaps you have nibbled at Revelation and other prophecy books in the past but came away with more questions than answers. Would you like to sink your teeth into the meat of scripture and understand its meaning? If so, this book is for you!
