Suzy Conner had always been told that elephants don't forget. Even if you are given shock treatments your memories do come back. Fifty years later, was she losing all hope and faith in God? No, I cannot lose my faith in you, Lord, You got me this far. Go for a walk, Suzy. Throwing her camping gear in the trunk of her car, she drove until the car was out of gas to a forest path in Tennessee where she found a deer that guided her way. This is Suzy's story of coming back confronting herself, the past trials, tribulations, and her own faith in God who had fed her Tidbits of info and knowledge over the last fifty years so she would have the wisdom to battle to keep her sanity and not lose it this time like she did when she was a child. The title *Elephants and Me* is based on truth: I have always wondered does that make me part elephant, because I couldn't forget either.
