

Bodybuilding Steroids: All You Need to Know about Steroids as a Bodybuilder

All you need to know about steroids as a bodybuilder. This book covers almost all steroids on the market in simple terms. Do not expect medical detailed references in this book. It is not for medical students. It is rather a collection of information found all around the world and relayed in a very simple language without littering the book with cross references. This book is more like gossip amongst steroid bodybuilders in a changing room.
